# THE STORY OF THE SANDWICH CLUB

We are film enthusiasts who like to work— it off on the sets but like to have something creamy and cheesy when we lay on bed. We tried multiple ingredients and felt great always. Made few friends try our made sandwiches and their reviews gave birth to "The Sandwich Club".

Thought of sharing our experience with others and then came Call to Order.

PS: We are freelancers so sometimes please wait for us to serve you.

Note for you:

Feel free to reach out to us through whatsapp with your reviews and if you have any customized preference for your cheesy-creamy experience then don't hesitate.
